

# ALİ EREN KAYHAN

## JUNIOR UNITY GAME DEVELOPER 2D-3D

### CAREER OVERVIEW

Game programmer with 1 years of experience creating indie for PC. Developed The Virus which was a horror game downloaded 140 times and viewed 856 times, and Wer Ist Der Mörder which was a instructional game downloaded 20 times and viewed 86 times, and Atölye which was a instructional game downloaded 2 times and viewed 19 times. These game are made with Unity. Moreover, I have wrote 29 blog about different topics in my personal website. Also, I have been working my start-up project.

The skills I've been able to gain and hone in on during my education:

- Working with team
- Team management
- Documentation
- Project management
- German-language skills at A2
- English-language skills at B2
- Starting start-up

You can learn more about me by visiting my personal website.  
(<https://alierenkayhan.github.io/>).
