

ALİ EREN KAYHAN

JUNIOR UNITY GAME DEVELOPER
2D-3D

CAREER OVERVIEW

Highly motivated game programmer with 1 year of experience creating indie games for PC. Developed The Virus which was a horror game downloaded 140 times and viewed 856 times, and Wer Ist Der Mörder which was an instructional game downloaded 20 times and viewed 86 times, and Atölye which was an instructional game downloaded 2 times and viewed 19 times. These games are made with Unity.

Moreover, I have written 29 blogs about different topics on my personal website.

Also, I have been working on my start-up project.

The skills I've been able to gain and hone in on during my education:

- Working with a team
- Team management
- Documentation
- Project management
- German-language skills at A2
- English-language skills at B2
- Starting a Start-up

You can learn more about me by visiting my.
